AWARDS SPONSORSHIP
27TH APRIL 2023/LEEDS

YORKSHIRE HERO

AWARDS SPONSORSHIP £2,995_{+VAT}

The Yorkshire Hero Awards is a unique public platform for employers to thank and honour their employees for going the extra mile and for their outstanding contribution. Organisations will be applauded and recognised for the care and support shown to their people, contribution to local community and for their proven strength and abilities to be successful and grow their business.

Yorkshire Hero Awards publicly raise people up and focus more on the individual rather than their role, unlike other business awards. The awards highlight and shout out about the unsung heroes, the amazing contribution and achievements of great teams, we praise employees who have shown tremendous commitment and shine a light on outstanding business leaders who are making a huge difference and leading the way!

Celebrating all that is good about our region, taking the time to formally acknowledge and celebrate professionals and businesses in our community.
