SUCCESS STORIES

What an experience being part of FB Fashion Ball Newcastle was! Not only did it take me out of my comfort zone walking the catwalk in front of peers from across the business community, but I also got the opportunity to meet lots of new people, make new business connections, and, most importantly, support raising funds for multiple brilliant charities. The FB Team were a pleasure to work with and spent the whole day (probably weeks) making the event a huge success. I can't wait to be part of it again in the future.

NATWEST GROUP

Being part of FB Fashion Ball Newcastle was such an incredible experience!! Lisa and the FB team looked after us all, and it was great fun to try modelling in a way that felt very much the real deal but also accessible to everyone. The awards were an honour to be part of and to support so many amazing people doing great work in the corporate world.

CHAMBER

FB Fashion Ball is the best corporate event of the year in Yorkshire. We have entertained clients over the years and the feedback is brilliant.

LLOYDS

FB Fashion Ball is the go-to event of the year! The event is unique and offers something different to other corporate events. The event is professionally organised and highly creative with numerous opportunities for brand awareness. The variety of businesses attending and involved is great for networking and raising our profile in the Yorkshire business community — from small businesses to large global organisations all in the same room. Our people enjoy being involved on the catwalk and have taken part for decades.

TOGETHERMONEY

The FB Fashion Ball provides a modern platform to network and meet professionals from various industries. It was fantastic to bring together and celebrate the North East business community. Lisa and the FB team made me feel so comfortable and confident when taking to the catwalk. Being involved in the launch of FB Fashion Ball in the North East has been such a positive experience, and I would encourage anyone and everyone to get involved!

As a firm, the event is now established as a firm favourite in our social calendar — an event both our people and clients look forward to. It is fun and a fantastic way to meet other professionals and raise our firm's profile. We enjoy celebrating our people and taking home prestigious Yorkshire Hero Awards.
